Individual Reflection - Robert

Week 1

1. **What do I want to learn or understand better? Consider e.g. teamwork, Scrum, agile processes, technologies etc?**
   I want to understand Scrum, the different roles and how they work together for optimal efficiency. I have to learn to use Git and understand how API's work.

2. **What is my contribution towards the team's deliveries? How can I help my team do better next sprint?**
   This week I started work on the RecyclingStation class which will hold information about the recycling stations and centers.

3. **Changes/improvements from last week's reflection?**
   None yet.

Week 2

1. **What do I want to learn or understand better? Consider e.g. teamwork, Scrum, agile processes, technologies etc?**
   I still need to get more comfortable with agile processes. I have started to understand Git but I still feel I need some more time with it.

2. **What is my contribution towards the team's deliveries? How can I help my team do better next sprint?**
   I continued work on my class.

3. **Changes/improvements from last week's reflection?**
   I am more comfortable with Git and the communication with the rest of the team has improved.
